2025 Unreached People Group Focus: GUJARATI AND KACCHI INDIANS OF MALAWI

In Malawi's total population of 23 million, Gujarati Indians number about 60,000 and Kacchi Indians 15,000. Each group speaks its own language, though they share many characteristics. Both originated from Gujarat, India. Both are successful business people and merchants in Malawi's major cities. They have strong extended families and worldwide networks among their own people. However, the Gujaratis are mostly Hindu and the Kacchis mostly Muslim. But they seem to worship primarily the great god of mammon and seldom make time for spiritual matters.

- Pray for spiritual hunger among the Gujarati and Kacchi people of Malawi that will draw them to Christ.
- Pray that the Lord of the Harvest will thrust out workers into these people groups. SIM has some potential full-time workers considering the call, and have utilized Love Your Neighbor training in several cities, with more planned for 2025, to mobilize ordinary Christians to share Jesus sensitively and effectively.
- Pray for Disciple Making Movements to Christ among the Gujarati and Kacchi people to transform them with the blessings of salvation.
