

# Breakthrough Prayer for the Sikhs of London 2026

Acts 4:12 Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved.

## The Sikhs of London: A Call to Prayer

London is home to about 150,000 Sikhs. This vibrant community has deep historical roots in the UK, since the mid-1800s. Sikhs have migrated to the UK directly from India, and indirectly from East Africa and Afghanistan.

While many Sikhs in London are well-established and active in business, education, and community life, there is very little Gospel outreach among them. They too need to experience the life-transforming message of Jesus Christ.

Many Sikhs are slow to come to Christ due to their strong religious identity and deep cultural and communal loyalty. There is mistrust of Christian missions. Brother Mann, a Sikh background believer, serves with London City Mission and is a Love Your Neighbour trainer. He is launching an evangelism training called "Sharing Jesus with Sikhs," based on LYN principles.

# Pray

- Pray that God would reveal the name of Jesus to Sikh individuals and families throughout London as the "one name by which they must be saved".
- Pray for meaningful friendships and bridges of understanding between Christians and Sikhs, fostering mutual respect and authentic Gospel witness.
- Pray that believers would be motivated to engage their Sikh neighbours with both truth and love.
- Pray for Brother Mann and his training to equip local churches to share the message of Christ in culturally relevant and effective ways.
